The Hersey Sophs started their 1970 campaign on a sour note as they dropped their first four contests before besting Conant and Grant. In their next five outings, the sophs won only one game before ending their season with a glorious six game winning streak.

The Frosh 'A' team started their '70 season stronger, beating teams from Elmwood Park and Wheeling, but were not able to continue any streak during the season as they seesawed back and forth between wins and losses to finally compile an 8-7 season mark.

The Frosh 'B' team was by far the most successful as they recorded an 11-2 record by the end of the season. The highlight of the 'B' season was their eight game winning streak to close out their season.

Thinclads Record 6-4 In Dual Meets

A combination of seasoned seniors and reliable juniors helped the Varsity thinclads record a respectable 6-4 dual meet indoor-outdoor record for 1970.

During the indoor season, the Huskies won five while losing only one to Maine East.

Moving outdoors, the squad didn't jell as was expected and managed to only win four of its seven meets.

Mainstays of the squad were Greg Gawlik and Ed Rieger in the distances; Chris Kelsey and Kurt Kiefer in the sprints and hurdles and Don Spry in the field events.

Spry was the lone Hersey qualifier for the state meet in the high jump.

Standouts for the Frosh-Sophs were Frank Walsworth in the two-mile run; Dave Kuntz in the sprints; and John Jones in the 880-yard run; all of whom brought home their shares of blue-ribbon performances.

In their next three outings, however, the Huskies ran into trouble and lost two out of three. Bouncing back, the Huskies beat Palatine, Glenbard North and Viator's before losing the season finale to Arlington.

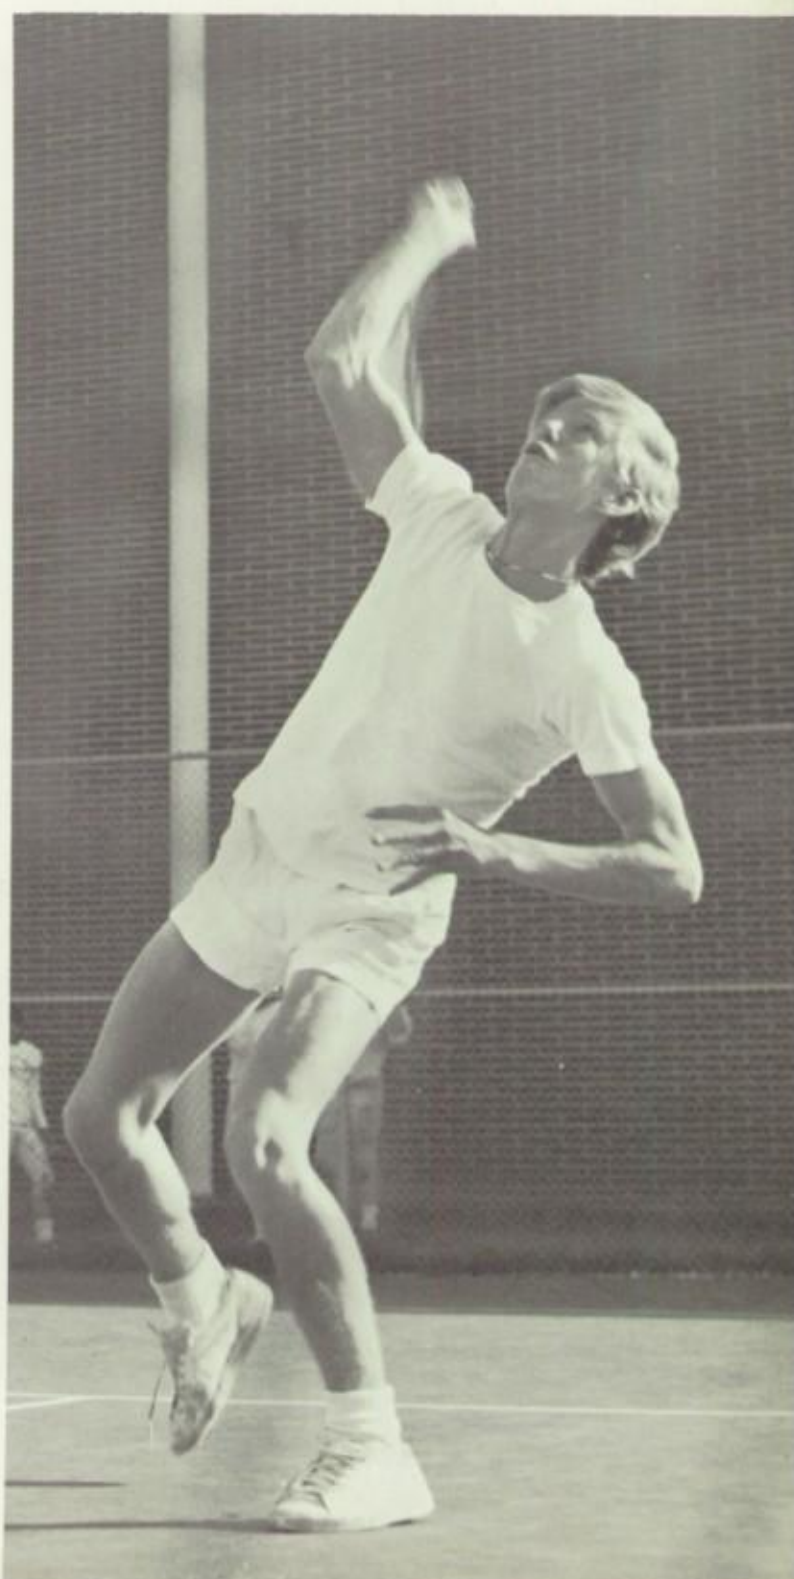

The frosh-sophs started their season by knocking off their first four opponents.

After being set back in their next three meets, the frosh-sophs netmen rallied to beat their next three dual meet opponents before dropping their last meet to the Cards from Arlington.

Varsity Wins Four; Sophs, 7; Frosh, 3

A lack of depth, injuries and tough competition all contributed toward a poor season for the varsity thinclads as they could manage only four wins in eleven starts.

With captain Ed Reiger injured for most of the season, it was up to junior Frank Walsworth to take up the slack, but his lone efforts weren't enough. Frank shone in the conference meet where he came through with an eighth place showing.

For the sophs, John Jones was the top performer as he consistently took first place and was named top runner in the conference.

Tom Magge led the frosh harriers through their paces as they slated a 3-4 conference record.

'We Are Not' Show First Show of Year

We Are Not, the 1970 version of the variety show was presented in "living color" November 9, 12-14 and included the usual mixture of comedy, dance, song, blackouts and melodrama.

Some of the highlights of the show were Karen Potter's version of **Little Red Riding Hood** and **Mary Had a Little Lamb**, "Rubber Ducky," the skit called "The Senior Women," Ann Langley singing "It Might As Well Be Spring," and the "Ed Sullivan Show."

On the more serious side, the chorus sang a medley of songs from **Hello Dolly** and the entire cast climaxed the show with its singing of "Bridge Over Troubled Waters."

Ted Bierdeman served as student director with Mr. Jerry Lowe acting as faculty director. Assisting Mr. Lowe were Misses Mimi Davis and Joan Sandberg.

Jim Bastable and Debbie Petersen keep in step during the medley from **Hello Dolly**.

Rick Noll as Uncle Shelly entertains the school kids with his explanation of eggs.

Margaret Langley sings during **We Are Not** variety show.

Amy and Jane Hathaway sing their own song, "Rain Falls," in V-Show.

The entire cast of the V-Show join in singing the song, "Bridge Over Troubled Waters."

Cheerie Kolben accompanies herself as she sings her own song, "Mountain High."

Karen Potter displays deep emotion over the telephone as a disinterested Nancy Gallagher does her thing.

Fall Activities Many and Varied

With the beginning of the 1970-71 school year came the usual lines at registration, the introduction of AFS student Jan Andrews to students, getting those seniors pictures taken for the yearbook, attending assemblies to promote events and ideas, watching those lettermen going through their ridiculous antics, and being corraled in the halls the first quarters.

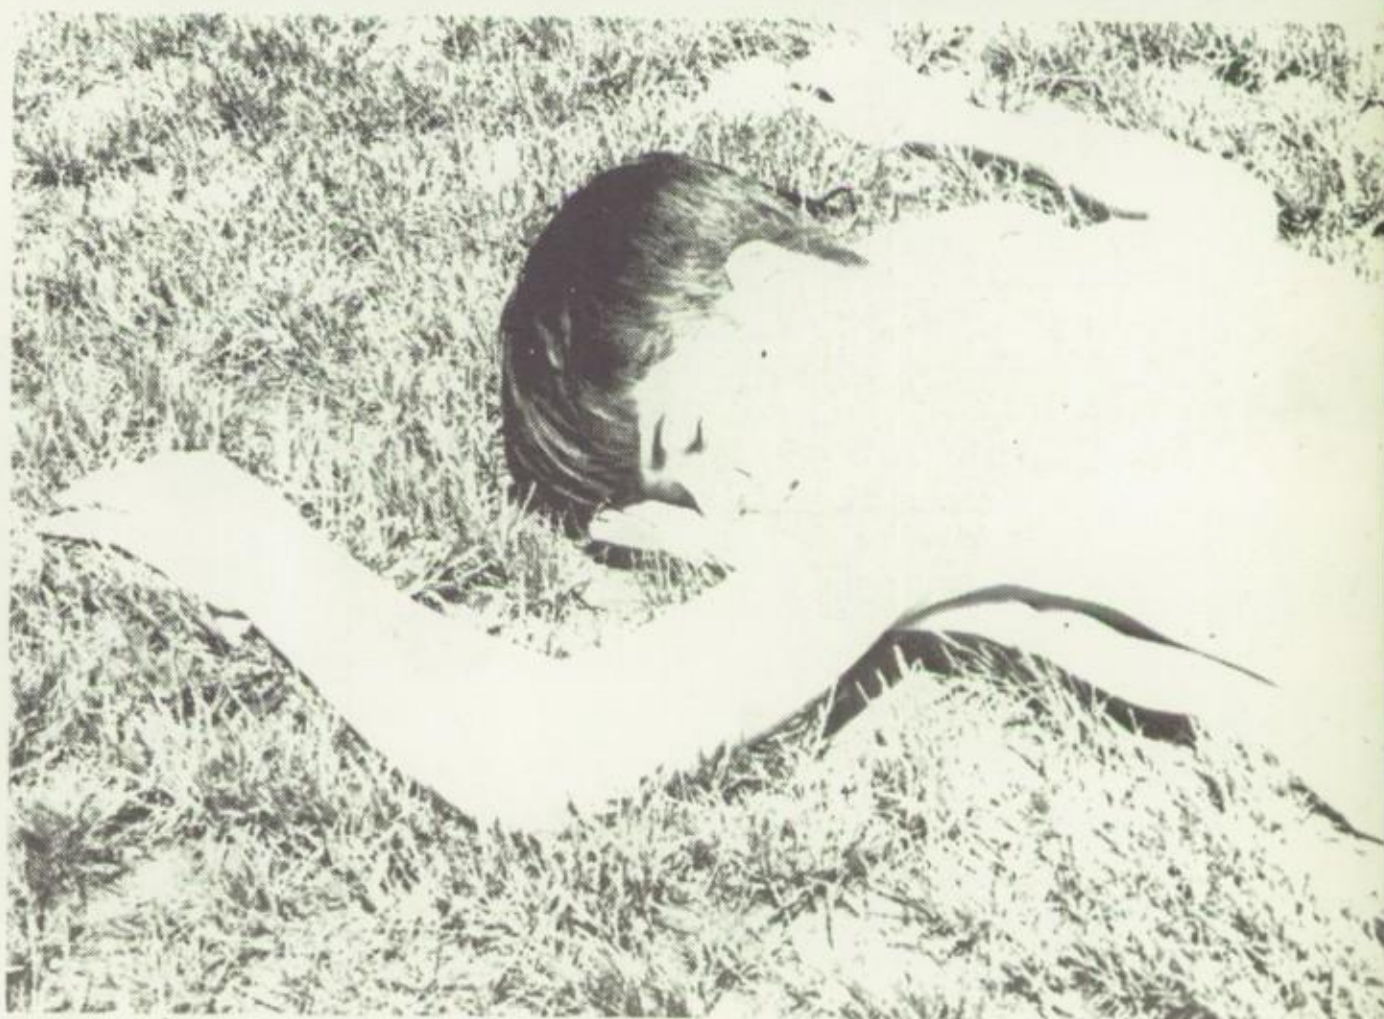

Fall was being entertained at the **Campus Life** assembly.

WINTER

Dawn Koenig Reigns At Christmas Ball

The Third Annual Christmas Ball, December 19, in the cafeteria had as its theme, **Snowball.**

Decorated with snow flakes falling from the ceiling, the winter setting was given a blizzard effect by placing simulated snow on the glass sliding doors to add to the scene.

As revelers entered the ball, they crossed the bridge of "good tidings" and were met by a giant snowman that stood sentry to the evening's festivities.

Climaxing the night was the presentation of Queen Dawn Koenig and her court of princesses Joan Allen, Bonnie Bowker, Cherrie Kolben, Debbie Petersen and Marsha Schnirring.

An unscheduled event was the blackout just as the Queen was announced which added to the night's atmosphere.

Kim Kiesig has her corsage pinned on by her date.

Ann Hollingsworth and date Terry Smith scribble names on window at Christmas ball.

Lance Boyett lives "the good life" with his date Sue Furlong.

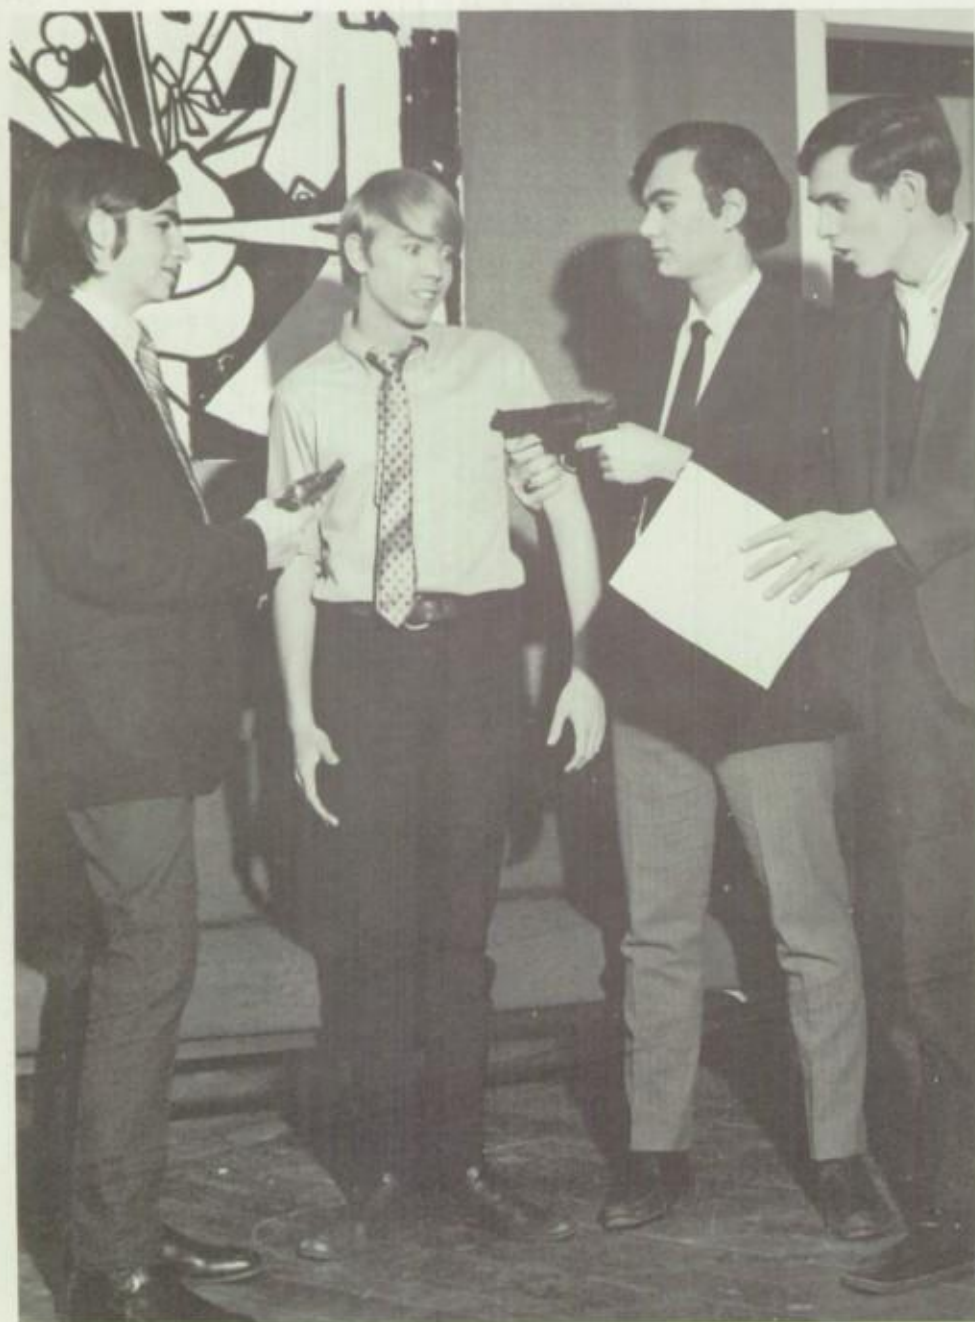

Jim Bastable teaches Keren Jelen the intricacies of the pirouette.

Debbie Petersen dances to the music of Jim Mercer.

Nancy Allinger listens to the pleas of Denise Contois.

F.B.I. men Tom Psharis, Jim Psaras and Leon Zasadny put the pressure on Jim Mercer for printing subversive material.

Rick Noll suavely tries to impress Karen Connor.

John Heidemann and Debbie Huff discuss their relationship.

'Can't Take It With' Uses Double Casting

You Can't Take It With You, the winter play, January 29 and 30, afforded those attending a time to relax and laugh.

One of the main production innovations in the presentation was a double cast which alternated roles for performances.

The theme of the play dealt with a family looking for the American dream of total independence from the rigors of society and the problems which arise for the family in society.

The grandfather, titular head of the family, expounds his philosophies and dreams on all who enter the household, whether they be friend or foe.

Visitors to the house soon become members of the family if they stay too long as in the line: "Look at Jim, he came to dinner once and decided to stay."

Laurie Lacher comforts Barb Kessler with a cup of tea.

Student Council Faces Problem Solving Year

Faced with the ever constant problem of student unrest at the way things were being run, the **Student Council** under President Roger Obst attempted to satisfy, through diplomatic channels, the desires of the students whom they represented.

Through weekly **Council** meetings and more frequent meetings of the Executive Board, the **Council** listened to suggestions of groups and students and tried to solve or follow through on appropriate action.

This often involved petitioning the administration to make changes in school policy. Most suggestions requested were effected and resulted in greater student freedom and recognition of one's individuality.

Through the efforts of the **Inter-Club Council**, activities and plans of school organizations and clubs were somewhat coordinated to alleviate possible duplication of projects and avoid confusion as clubs and organizations planned their calendars.

The **National Honor Society**, an honorary organization, saluted those students who had shown a distinct contribution to Hersey through their academic achievement and extra-curricular activities upon being recommended by faculty and staff members.

Open to all students who showed a sincere dedication to things mathematical, **The Math Club** offered students opportunities for advanced problem solving and competition in math contests.

Nurses, Teachers Study Professions

Assisting in the Health Office and working and visiting local hospitals gave members of the **Future Nurses' Association** valuable experience in investigating the career opportunities open to students in the field of health. Too, some of the members actively worked in hospitals as aides to the staffs giving them first-hand experience.

Members of the **Future Teachers of America** learned through their meetings the qualifications of the teaching professions and were also able to question some of the teachers and student teachers who were invited to meetings to serve as sounding-boards for careers in teaching.

Forfeiting their study halls, the aides greatly relieved the paper work involved with student attendance from filing and phone-answering to collecting and distributing student absentee lists.

Members of the **Guidance Aide** corps assisted Mrs. Turnipseed in her role as secretary to the Pupil Personnel staff by helping with filing and reception and served as "process servers" when counselors wished to see students on matters of scheduling and course selection.

Varsity Cagers Post 19-5 Season Record

Husky varsity cagers experienced some year, starting out by whipping their first four opponents before losing a one-pointer to Maine South.

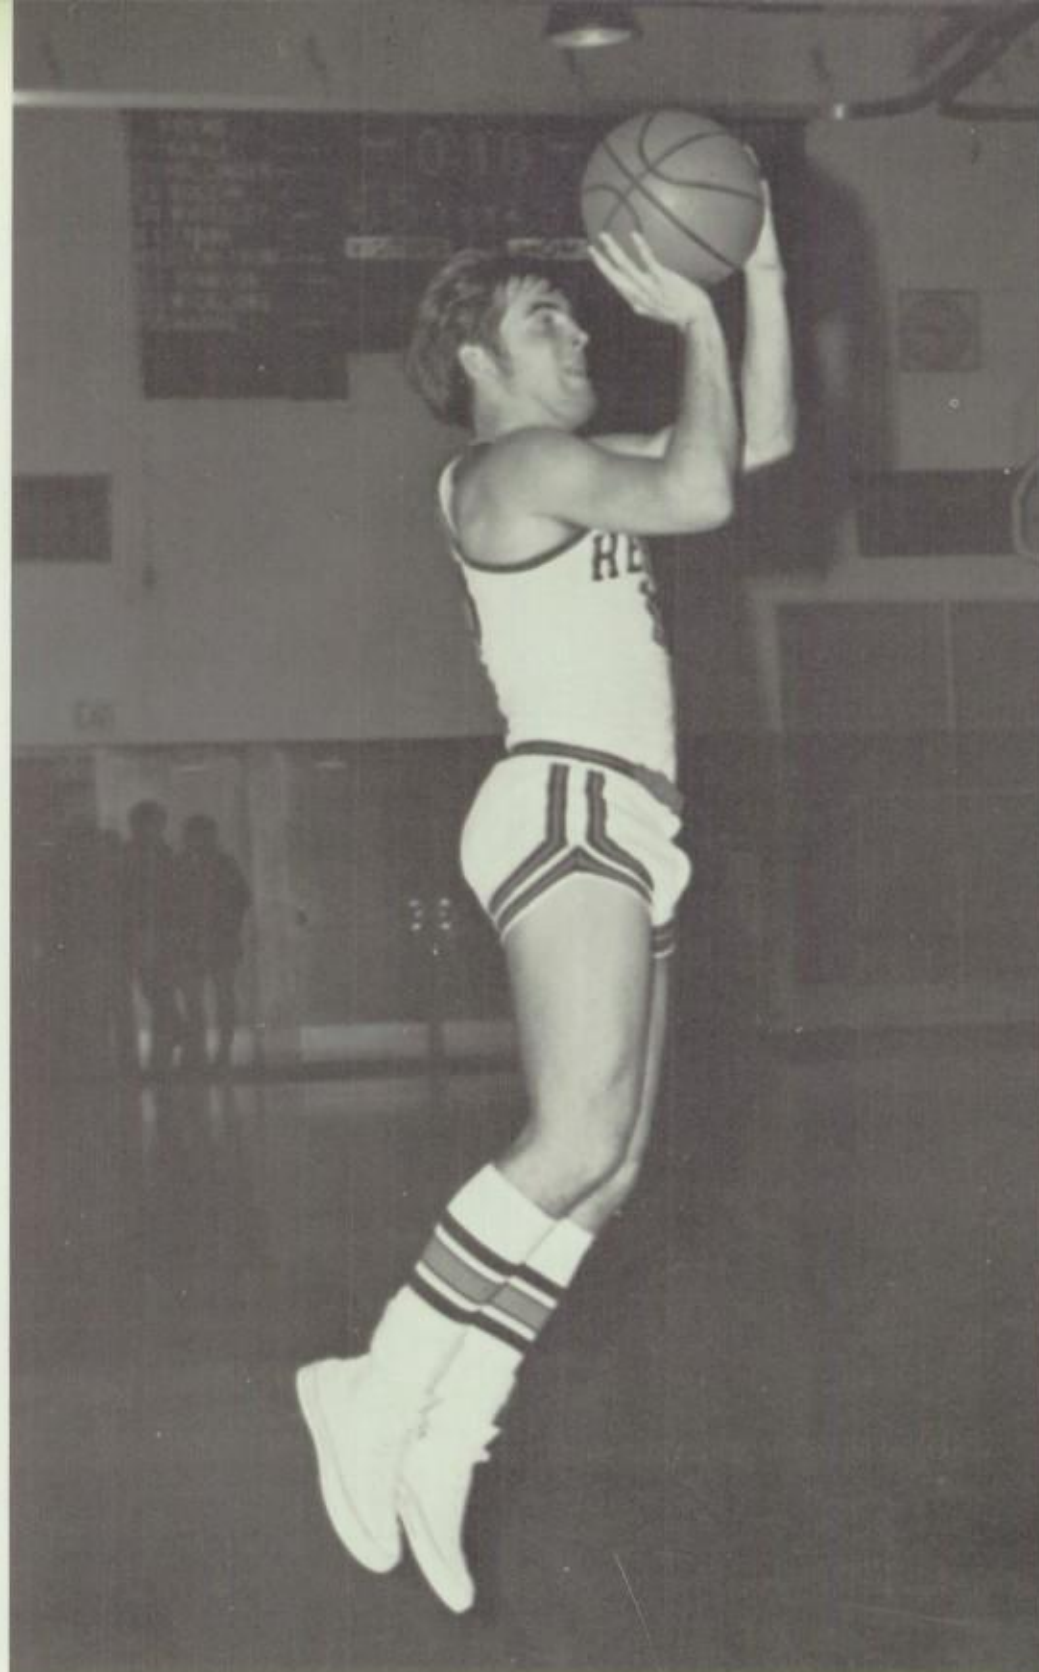

Before entering the Danville holiday tourney, the Huskies beat Palatine and then went on to take the Consolation Championship in the Danville Classic.

After the holiday break the Huskies won six straight and then lost a heart-breaker to Wheeling on a last second desperation shot.

After four more wins the Huskies dropped the Conference title to Prospect before entering the Regionals where they were knocked out of contention by Barrington after having beaten Libertyville.

Bruce Frase, Andy Pancratz and John Tilhou won All-Conference honors at season's end.

The Huskies bounced right back, however, with a win over Palatine, 59-37.

After the holiday break the JV's won a pair over Fremd and Elmwood Park.

The team then went 4-1 in their next five outings capping it off with a 51-50 decision over Wheeling.

The Huskies then beat Glenbard North and lost to Conant. In all, it added up to a fine season for coach Al Kintzle's charges.

Grapplers Take Coveted State Title

The Hersey Husky varsity grapplers will long be remembered for having brought to Arlington Heights the state title, a feat unmatched by any other Mid-Suburban league squad.

The District meet was the first hurdle on the way to the state trophy. Don Robinson, Brad Smith, Jim Battaglia, Tad DeLuca, Bob Vercruysse, Pat Teefey and Kevin Immel all advanced to the Sectional Tourney.

Surviving Sectional action and advancing to the State meet were Battaglia, Smith and DeLuca. Both Battaglia and Smith won the state titles in their weight classes while DeLuca battled to a respectable Fourth place finish.

The team went undefeated in regular season competition.

The lone dark spot in the JV season came when East Leyden edged them out of first place in a quadrangular meet. However, the JV's bounced right back and beat teams from Arlington, Palatine, Fremd, Glenbard North and Wheeling.

Husky Gymnasts Take 2nd In State

Hersey's varsity gymnastic's team once again proved to be a power in the area.

The team took first place in the conference, second in the district meet, first in the sectional and repeated by placing second in the state meet behind powerful Hinsdale.

The gymnasts started their season by rolling over their first four opponents before losing their only meet of the season to Arlington by .16 of a point.

From the sectionals, the Husky gymnasts placed 14 spots in the preliminaries at the state. From these, four gymnasts emerged to the finals.

Jeff Farris finished second in the All-Around and second on the parallel bars. Other state finalists were John Weaver, eighth on the tramp; Scott Hudson, seventh on the parallel bars and Ed Hembd, eighth on the side horse.

Husky Tankers Show Vast Improvement

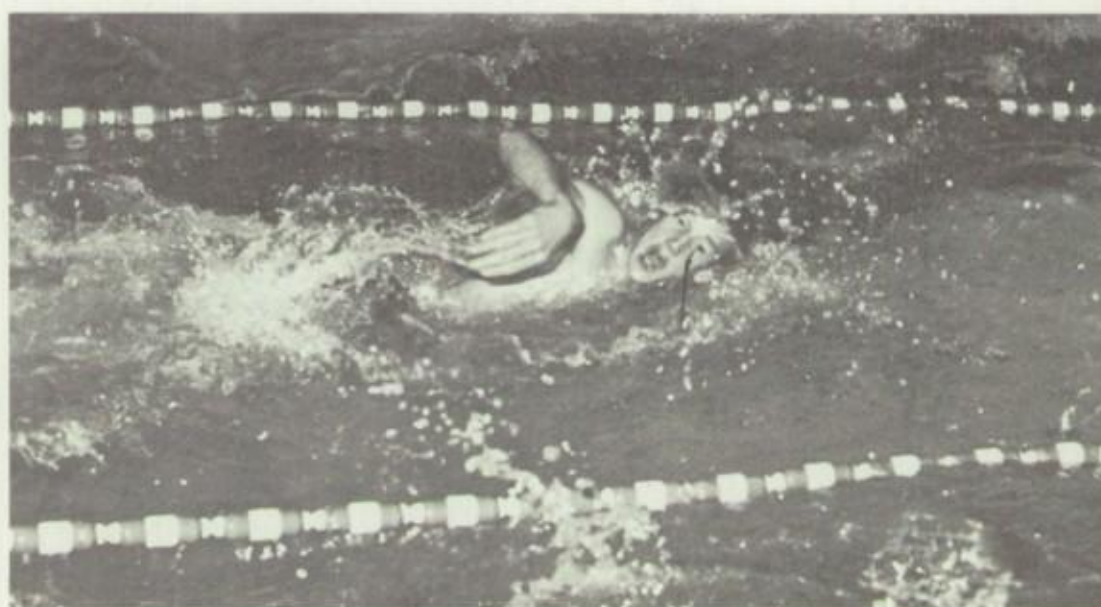

In only their second year of competition, the varsity swim team showed marked improvement over last year by registering three victories while losing eleven.

The varsity tasted their first victory ever by whipping McHenry in the second meet of the season, 49-46.

After losing in a triangular at Maine East, the Huskies bounced back to take second in a triangular at Maine South.

Going against much more seasoned teams, the Huskies faced stiff competition in all events and lost their next seven meets. The losses were not without good team effort, however, as the Huskies dropped close meets to Forest View and Prospect.

Mike Richartz and Dean Goins were named All-Conference at the end of the season.

Frosh-Soph Tankers Wield 8-6 Record

Hersey's Frosh-Soph tankers continued building for the future by posting a solid 8-6 record for the season.

For the most part, the season was touch-and-go. The Frosh-Sophs started their year by losing the first triangular meet of the season, but came back in the next meet to topple McHenry, 74-21.

In their next two outings, the team lost triangulars to Lane Tech and Maine South.

Shaping up, the tankers next trampled Elmwood Park and edged East Leyden, 49-45.

The Huskies then dropped a pair to Forest View and Waukegan before drowning their next three opponents. After a loss to Arlington, the tankers finished their year by beating Wheeling, 55-40.

Radio, Service Clubs Practice, Learn Skills

Members of the **Ham Radio Club** and the **Citizens Band Radio Club** this year became more active as membership and interest increased in both clubs.

Members of both clubs met regularly with sponsor Mr. Ted Strand in their newly refurbished radio room adjacent to the electronics shop.

The **Service and Repair Club** concentrated its efforts on the servicing and repairing of electrical appliances and radio and TV sets that faculty and students wanted repaired on a cost basis. The members of the club gained valuable experience in electrical repair work while at the same time providing a service to the Hersey community.

Language Clubs

Stress Customs, Ideas

The major purpose of the Hersey language clubs is to spark an extra interest in foreign languages, as well as offering students a chance to learn more of the culture, customs and ways of life in foreign countries.

Activities of the clubs included bake sales, cultural food parties and movies.

Educational endeavors outside the regular French, German and Spanish classes consisted of films, tapes, records and lectures concerning their respective languages.

The **German Club** is sponsored by Miss Sandra Mast; Mrs. Suzanne Skutta sponsors **French Club**, and **Spanish Club** is led by Mr. Carlos Garcia.

Individual Events Team Stresses Public Speaking

The award-winning **Individual Speech Events Team** participated in numerous speech activities throughout the year. They attended several invitationals including Niles North, Lake Park, Deerfield and Dundee.

There are various events for the members to concentrate on including original monologue, prose reading, radio, oratorical dec-

lamation and comedy reading. A lot of work is devoted to the preparation and memorization of each individual event.

Although Laurie Lacher was the only member to qualify for the state level, the team did an excellent over-all job. Almost all members went to Districts, where they achieved fifth place.

Debaters Confront Pollution Issue

"Resolved: That the Federal Government Should Establish, Finance and Administer Programs to Control Air and/or Water Pollution."

Such was the topic that engrossed Hersey's debaters this year, making them experts in the field and aware of present state, local, and national regulations.

The **Debate Team** attended numerous tournaments from Southern Illinois University to Arlington Heights, and gathered valuable pointers from workshops.

Research, long hours of practice, and early morning awakenings are part of the debater's world. Endeavoring to master argumentative abilities, they find themselves criticized, rated, and always learning.

Hersey Band Continues Winning Ways

The fantastic Hersey bands continued to rack up honorary awards in most of the music competitions that they entered.

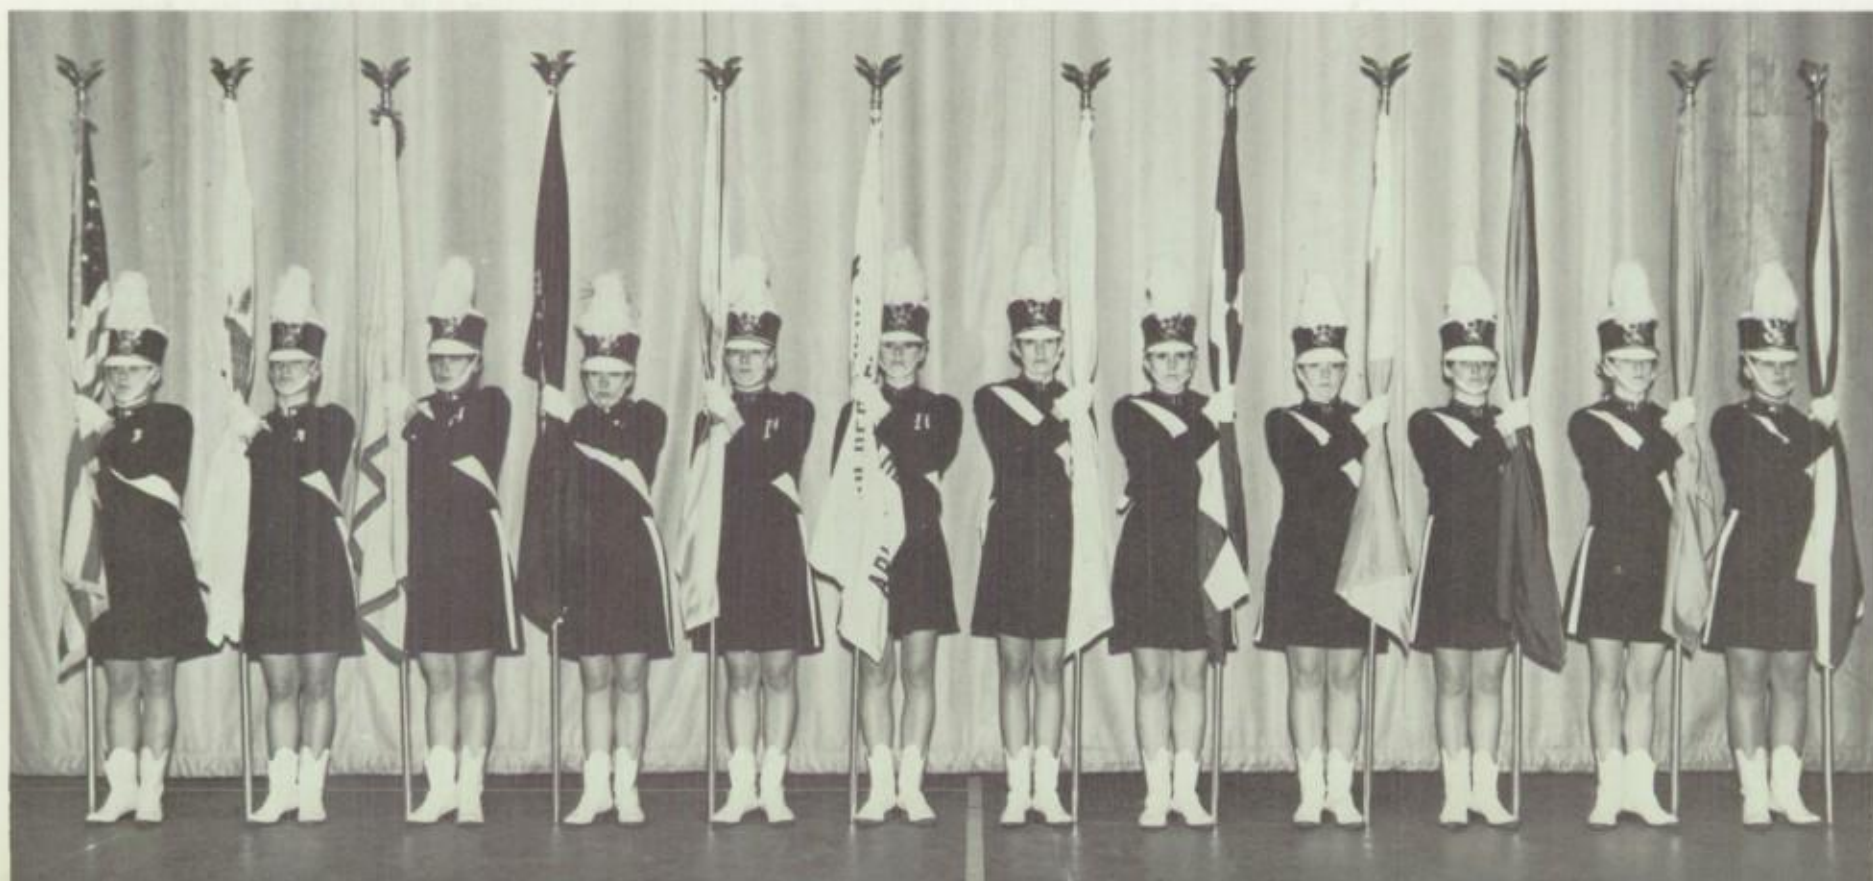

The **Marching Band**, led by drum major Jim Poe, nabbed first place awards in contests at Plainfield and Harvard, Illinois; the Atlantic City Parade and the Towson, Maryland Parade.

The band also acquired a first place trophy at the Chicago Lake Front Festival Parade and competition at Illinois State University.

Along with bringing musical honors to Hersey, all the bands contributed to Hersey's assemblies and concerts and highlighted their performing year by being conducted by Arthur Fiedler of the Boston Pops Symphony Orchestra at their Pops Concert.

Choir, Ensemble Entertain Groups

The **Choir** and **Ensemble** offered Hersey students with vocal ability the chance to participate in several activities and broaden their musical knowledge and talent.

Both groups, led by Mr. Charles Jenks, fulfilled singing engagements for nursing homes, civics groups, women's clubs and junior highs.

Other activities included a Homecoming raffle and the production and sales of their first Christmas album. They also did several

presentations at primary schools in attempt to stimulate musical interest.

The choral skills of the **Choir** and **Ensemble** were also heard at Hersey's assemblies, concerts and drama productions.

Along with a music class during the day, the ambitious groups put in a great deal of work outside of school time. This extra effort helped to give them a fine ability to entertain all their audiences.

Girls' Glee, Madrigals Exhibit Versatility

Girls' Glee, one of the many talented choral groups at Hersey, is composed of a variety of girls. Not only is there a variety of people, but these differences allow for a range of performing material—from light and lilting to more serious compositions.

They have appeared in the Department's three annual concerts, under the direction of Mr. Charles Jenks as well as the District

Festival at Prospect High School.

The newly formed freshman girls ensemble, known as the **Madrigals**, combines youthful voices and fun to produce a fresh sound. Directed by Mr. Robert Rogers, the **Madrigals** have proved an asset to Hersey's Choral Music Department, contributing their vocal abilities to its concerts and outside performances.

Frosh Choruses Train Vocal Students

Rounding up enough willing and capable male voices for the **Freshman Boys' Chorus** hasn't always been easy. This year the music department acquired the sizable sum of six. Along with the other choral groups, and under the direction of Mr. Robert Rogers, they have shared a place on the concert programs.

Freshman Girls' Chorus, outnumbering the Boys' Chorus roughly 5 to 1, has had no problem creating a strong, polished sound. Working under Mr. Robert Rogers, a new addition to the music staff, Girls' Chorus became that "extra something" in choral performances.

AV-Library Aides Organize Resources

The Audio-Visual Department depends a great deal upon the hours of work put in by the AV aides. These ambitious boys work in their free time delivering equipment, repairing projectors and keeping track of all audio-visual material. They are responsible for the films, slides, tapes, sound systems and microphones which the faculty depends upon year-round to meet the educational needs of the students.

Also helping to organize and coordinate the school's resource materials are the Library Aides. Their responsibilities include shelving books, checking out materials and taking care of the ever-expanding library sources.

Winter's Events Bring Joy, Entertainment

With the coming of winter and the winds and snows that engulfed Hersey at times there, too, came the joys of Santa visiting the kiddies in the home economics department, skiing at Alpine Valley, keeping warm at heated basketball games, buying bizarre posters, remedying those cold symptoms in the nurse's office, hearing the Hersey band conducted by Arthur Fiedler and witnessing the Powder-puff basketball game.

Winter was that runny nose in the Nurse's office.

Winter was Santa visiting the kiddies in the home economics department.

Winter was Arthur Fiedler conducting the Hersey Band at the Pops Concert.

Winter was the Powderpuff basketball game with its cheerleaders.

Winter was Cool!!!

Winter was also wet and nourishing as above.

Winter was Kim Zaehler "ringing our chimes."

Winter was Manasia and Judy.

Winter was Powder Puff basketball.

SPRING '71

Endeavor Incorporates Summer Supplement

Working within the confines of their budget and office tucked away in the English wing, members of the **Endeavor** staff spent long hours of the night mulling through thousands of photographs and pages of deft prose in order to attempt to present as accurate a picture-prose representation of Hersey as was possible.

Beginning their planning in the spring of 1970, staff members allotted pages and space for the 1971 **Endeavor** as they saw necessary and incorporated the idea into their plans of publishing a summer supplement which would be mailed to students during the summer vacation.

It was decided that this approach would give students a volume which included activities and events from the entire 1970-71 school year rather than spring to spring which had been used in the past.

Correspondent Keeps All-American Rating

Continuing in the winning tradition of Hersey, the **Correspondent** started off the year with the announcement of its fourth All-American rating. This award, presented by the National Scholastic Press, is based on coverage, editing, physical appearance and photography.

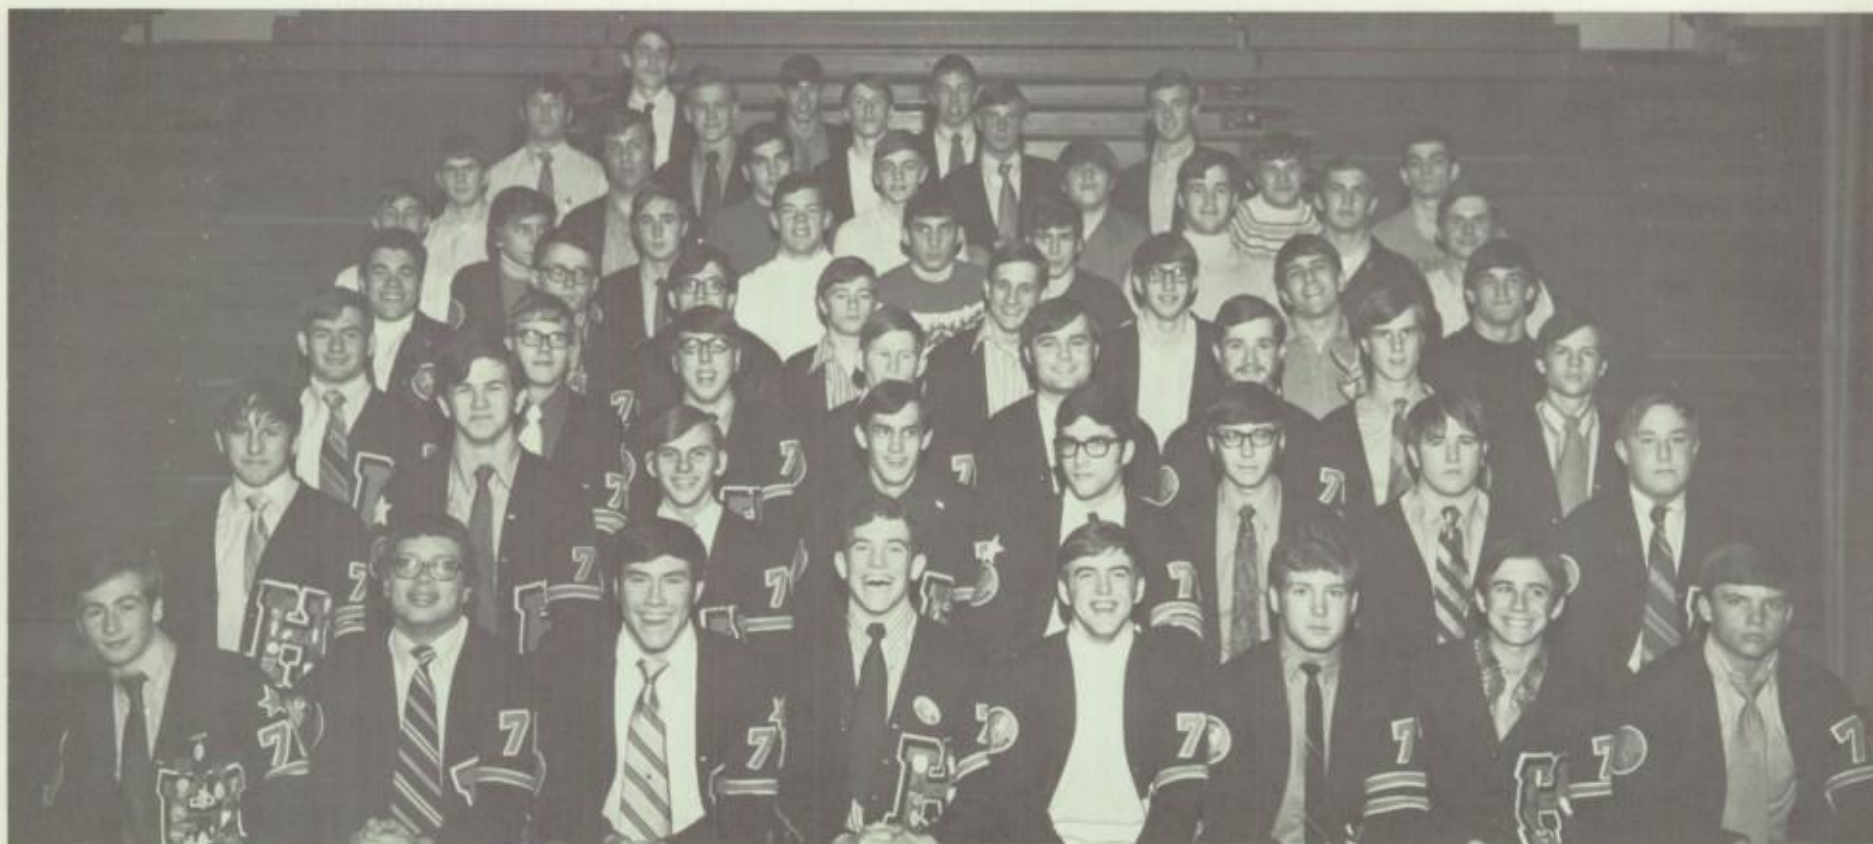

The emphasis in reporting this year has been upon reaching the student with the lighter side, as well as the facts. A new feature, "Write On", has evidenced this.

Heading up the staff was Editor John Sienicki. Jon Daniel held the position of News Editor, with Marcia Moody, Brian Zimmer, and Babs Cox the respective Feature, Sports, and Copy editors.

Sponsorship of the **Correspondent** changed hands at the semester when Mr. Richard Nelson left to teach at N.I.U. Mr. Robert Wilferd then took on the new task of advisor.

Lettermen, Orchesis Sponsor Events, Shows

Lettermen's Club serves as an honorary reward for the athletic efforts of the many boys involved in sports.

This year, the club's responsibilities included the initiation of new members, sponsorship of the "Golden Autumn Dance, hall decorations and fund-raising services. They also gave spirited as well as financial support

to athletic events throughout the year.

Orchesis, Hersey's modern dance company, brought imaginative and graceful entertainment to several of our assemblies and half-time shows. Along with meeting as a class with Mrs. Cynthia Duffy, the girls practiced many hard hours outside of school to present their diverse spring concert, "L'Esprit".

Inspiring members of the Hersey wrestling teams to their greatest heights were girls of the newly formed **Wrestling Cheerleaders** under the direction of Mrs. Ann Gramm. Attending all meets, the girls provided what had previously been absent at Wrestling meets, that added leadership in cheering Hersey's Wrestlers on in an organized fashion.

Boys' Leaders Aid Teachers, Students

Junior and senior boys are all eligible to participate in the **P.E. Leaders' Program** at Hersey. This program involves activities outside the regular physical education schedule, including assisting the gym teachers and acting as referees for the various sports.

During both the junior and senior years,

the boys are taught individual responsibility and sportsmanship, along with learning the regulations of the games. In its three years existence at Hersey, the program has proven to be very helpful to the P.E. teachers, as well as making gym more enjoyable for the leaders.

Girls' Leaders Teach, Participate in Classes

Some 45 girls with an outstanding interest in physical education participated in this year's **Junior and Senior Leaders' Program**.

As **Junior Leaders** the girls were taught the rules and techniques of physical education as a class. Then as **Senior Leaders** they were given individual responsibilities such as taking

care of equipment, leading exercises and officiating games.

Both years of gym put an emphasis on the appreciation of athletics, the value of exercise and a sense of fair play. The girls' P.E. teachers and the leaders all agree that it is an extremely valuable program.

Pep Club, GRA Promote Sports' Activities

With Hersey's continued rise as an athletic power this year, **Pep Club** has been responsible for boosting the ever-growing Husky spirit.

Their major activities this year involved sweater sales, sponsoring the after-Coronation dance, and numerous poster parties.

The **Girls' Recreation Association**, spon-

sored by Miss Virginia Stolley, was one of the more active clubs this year. Along with their annual Sleep-In, the girls participated in hall decorations, a skating party and competitive sports days at schools throughout the district. Athletics included bowling, volleyball, tennis and gymnastics.

Archeology Club, sponsored by Mrs. Naidyne Bridwell, concentrated on the specifics of archeology. The small but devoted group worked hard to finance their spring trip to the excavation sites of early Indians. Another major activity was their monthly lecture by the Archeological Society in Chicago.

'Hello Dolly' Wows Four Audiences

After eight weeks of vigorous rehearsals and hours spent on costuming and set design, Hersey's Third Annual Spring Musical, **Hello Dolly**, finally hit the footlights for four sell-out performances, March 31 and April 1-3.

Heading the cast were Bonnie Bowker in the female lead with Jack O'Connor as the male lead.

Lending their support to the cast in other major roles were Cherrie Kolben, John Heide-
mann, Sheri Hofer, Jim Bastable, Sue Crom
and Jon Daniels.

Supplying the necessary strength to the song and dance numbers were the members of the mixed male and female chorus.

Directing the production was M. Jerry Lowe who was assisted by Misses Joan Sandberg and Mimi Davis as assistant director and technical director respectively.

Jack O'Connor accuses Bonnie Bowker and Cherrie Kolben of harboring runaways.

Male members of the chorus join in singing "It Takes a Woman."

Bonnie Bowker seeks reassurance from her deceased husband.

"Ribbons Down My Back" is beautifully sung by the owner of the hat shop, Cherrie Kolben.

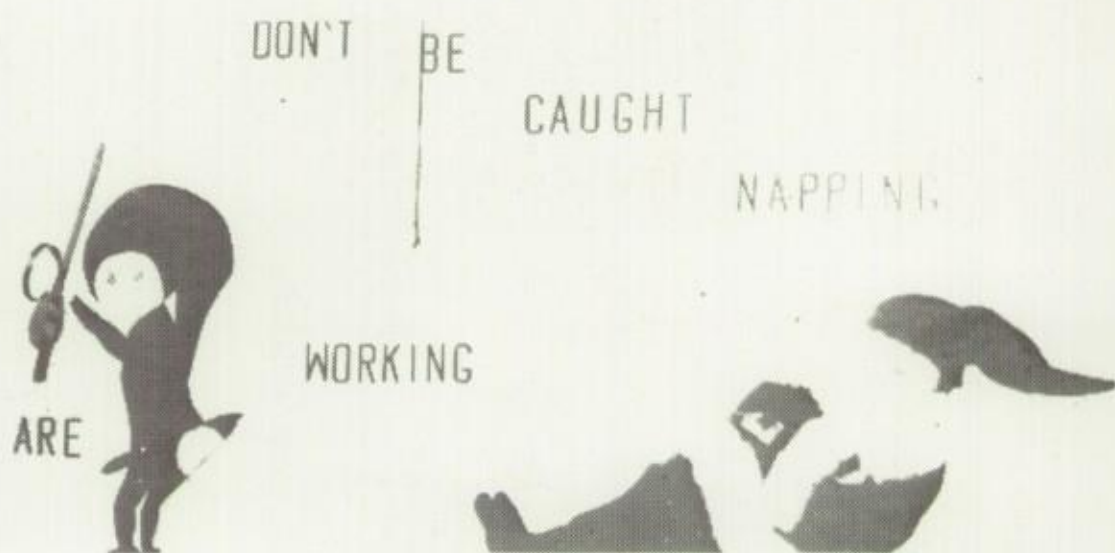

Elaine Palmer, Debbie Petersen and Bonnie Bowker dance to the music of "Call On Dolly."

Townswoman Natalie Crom performs in "Sunday Clothes."

Jack O'Connor reprimands his employees John Heidemann and Jim Bastable.

English-Fine Arts Expands Offerings

The 1970-71 school year saw the English department of the **EFA Division** expand its course offerings to near fifty allowing students to select literature and writing courses which particularly interested them. There were also other specialized course dealing with film study, radio-television and humanities.

During the first semester, the EFA division also instituted a communicative arts curriculum refinement committee consisting of six students and six faculty who met regularly to discuss refinement of EFA curriculum. This was the first instance wherein students had an equal voice in curriculum matters at Hersey.

Courses in the music department continued to mushroom as interest mounted in both choral and instrumental music.

The art department continued to satisfy students' interests in painting, sketching, sculpture and ceramics.

Library Appeases Student Queries

The **Library** asserts itself as the place to which students resort when they need answers to school-society questions.

Besides the general collection, the **Library** also boasts an extensive periodical collection of over 200 titles and back issues and micro-film copies of most of the more popular magazines.

In addition to the printed word, the **Library** also offers students the opportunity to learn through listening to recorded tapes and records which are available for private listening at the study carrels which dot the library.

Listening booths in library afford students opportunity for both work and pleasure.

AV Division Helps Enhance Learning

The enhancement of the learning process in all areas is brought about through the efforts of the **AV Division** whose responsibility it is to provide supplementary materials and equipment to aid teachers in their course presentations.

Accommodating students and teachers alike by supplying record players, tape recorders, film projectors, slide projectors and closed circuit television facilities, the **AV Division** more than often has supplemented the educational process making courses just that more relevant.

Additionally, the **AV Division** also provides photographic services to Hersey in its capacity as school photo service.

Scheduling and maintaining all the equipment and materials of the division is no small task, yet the director has been always known to be "very accommodating."

Students find more relaxed study atmosphere in library.

The library becomes a center of activity as students take advantage of free time to get assignments finished.

Math-Science Div. Courses Enlarge

Keeping pace with outside advances in the fields of mathematics and science, the **Math-Science Division** followed suite and enlarged its curriculum in both areas to fulfill its division motto of "relevancy."

In the area of mathematics the division expanded its already thorough curriculum to include new courses in Probability and Statistics, Matrix Algebra and Computer Math which utilizes an IBM data processing system.

The science department also took big leaps forward with the introduction of courses in Space and Earth Science and a Physics Seminar.

In keeping with trends, the **Math Science Division** had adopted the semester course concept to afford students the widest possible range of subject matter.

Phy. Ed. Division Program Broadens

In response to suggestions by many students last year, the **Physical Education Division** allowed senior students this year their choice of the kinds of classes the students wanted to participate in. Every three weeks the senior classes would group together and then divide into particular interest groups depending on student interest.

Also brought into the program were outside activities like bowling at the Thunderbird Lanes and Bemidji Ball on the tennis courts.

Through diversified offerings like these and extensive intramural sports the **PE Division** provided students the opportunities for recreational exercise while at the same time sustaining individual interest.

S.S. Language Div. Adapts Curriculum

This year the social studies department of the **Social Studies-Foreign Language Division** adapted to the growing needs and interests of Hersey students by introducing new courses in black history, psychology, and military history. These courses together with the already wide ranging course offerings enabled students to select from an even wider scope of specific subject areas.

Typical of the excellence of the department were the many additional guest speakers and panel discussions which were incorporated into the course contents.

The foreign language department of the division continued to offer courses in French, Spanish, German and Russian.

Students receive valuable in-class instruction in foreign languages through language labs.

Acknowledgements

When the last pages of the **ENDEAVOR** have gone to the printer and the staff is resting from the rigors of many nights' work trying to get materials for those ever-present deadlines, there comes the final task of acknowledging the extra efforts of those persons who helped the staff with this publication, but, who have, heretofore, gone unmentioned.

First, for the patience, advice and suggestions they offered, we must thank Messrs. Norman Koenig and Ernie Rubak and their assistants Pat Kelly, Doris Spyer, Mary Ann Smith and Jeri Schultz. Without the combined efforts of these people the publication of the **1971 ENDEAVOR** would never have come to its fruition.

Secondly, the staff at Root Photographers, and especially Mrs. Marjorie Dompke and Miss Kay Eilert, warrant our heartfelt thanks for providing us with service and photographs that appear in this publication. Without the many men responsible for the taking of these photographs and the behind-the-scene work of Messrs. Gus Wamashiro and Joe Ogata publication of the **1971 ENDEAVOR** would have been impossible.

Finally, our thanks to students Marsha Schnirring, Dave Newson, Nola Ringenoldus, and a host of others who varied efforts helped in the production of this book together with the unceasing cooperation of teachers, sponsors, coaches and administrators.

SPRING '71

'Man For All Seasons' Depicts Everyman

Although set in the sixteenth century during the tumultuous reign of Henry VIII of England, Robert Whittinton's **Man for All Seasons** could have been said to carry a portrait of modern man as he often finds himself caught in the dilemma of being true to himself or true to the establishment or system.

Presented May 21-22, the drama was in the words of director Mr. Jerry Lowe, "The finest overall production both technically and dramatically that I have been associated with in all my years working with high school students."

Heading up the cast in the title role was Keith Szarabajka as Sir Thomas More. Lending strong support to the cast were Mike Byrne, Wade Miller, Vince Monteleone, Laurie Lacher, Jan Andrews, Jim Catanzaro, John O'Connor, Paul DiLorenzo, Mark Fullerton, Mike White, Ken Meyers, Yvonne Allie and Roger Obst.

Jim Catanzaro (Cardinal Wolsey) contemplates the future of England.

Jan Andrews (Lady Alice More) and Laurie Lacher (Lady Margaret More) weigh the fate of their father-husband, Sir Thomas.

Mike Byrne (Common Man) is set upon by Paul DiLorenzo (Signor Chapuys).

Keith Szarabajka (Sir Thomas More) hears the accusations of Jack O'Connor (Thomas Cromwell), Vince The More family receives a visit from Kenneth Meyers (Henry VIII).

Monteleone (Duke of Norfolk), Wade Miller (Master Rich), and Roger Obst (Thomas Cranmer).

Keith Szarabajka (Sir Thomas More) is put through inquisition by Jack O'Connor (Thomas Cromwell).

Orchesis Concert Uses 'L'Esprit' Theme

L'Esprit, the Third Annual Orchesis Concert was presented in the Little Theatre April 23-24.

Using their imaginations and acquired techniques, the members of the Orchesis troupe formed their own groups to display their varying routines.

As has always been true of the concerts, the choreography, costume design and musical selection was left to the individual tastes and aims of the individual dance groups. This allowed the troupe to present a diversified program which ran the gamut from the more serious ballet type dance to the less formalized avant garde and jazz kinds of dance.

The Kolben sisters, Cherrie and Linda, are a study in motion.

The tone of the show takes a more serious vein when Mary Collins, Sue Hall, Peggy Neugebauer, Jane Draxler and Margaret Collins perform.

Denise LaRue Reigns As Prom Queen

White Lace and Promises was the theme of Hersey's Second Annual Prom at the Sheraton-O'Hare Hotel at which senior Denise LaRue was chosen Queen, June 4.

The atmosphere was one of formality as promgoers arrived at the hotel decked out in their finest array of silks, satins and laces and varying degrees of male formal wear.

Before enjoying the diversified music of two different types of bands—one which provided more traditional kinds of music while the other rendered more up-to-date kinds of music, guests enjoyed a formal dinner.

Basically responsible for all arrangements for the prom were junior class officers President Ken DelPrincipe, Vice-President Jim Gaitus, Secretary Julie Wilk and Secretary Sue Harkins.

Spring Activities Cover Wide Scope

Culminating the year's Spring Activities were a host of events ranging from the strictly academic to the more fun-oriented.

Included in these were the **National Honor Society Initiation** ceremonies early in the spring, the **Turnabout Dance** sponsored by the freshmen class, **The Spring Band Concert** with guest conductor Mr. John P. Paynter of Northwestern University, **Moratorium Day** headed by members of the social studies department, the **Spring Music Concert** featuring combined groups from the instrumental and choral music departments, and special assemblies provided by the **Chicago Symphony Orchestra** and the **Eastern Illinois Jazz Band**.

Spring was the Chicago Symphony and soloist Chiu Tze Lin giving a concert at Hersey.

Spring was the Eastern Illinois Jazz Band performing at Hersey.

In Memoriam

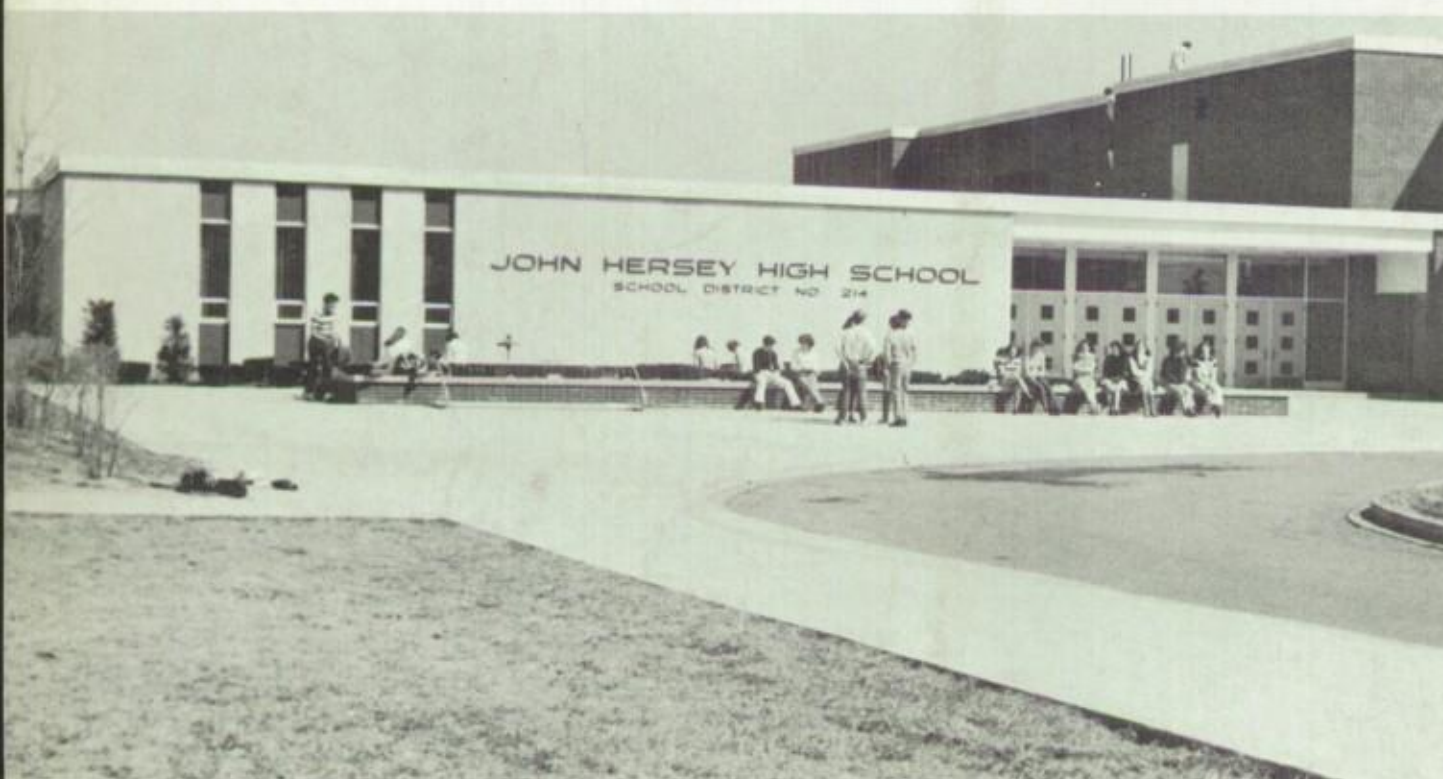

H. Louis Schultz

Upon returning to school on Monday, May 24, the entire Hersey Community was bereaved to learn of the sudden death of Assistant Principal for Administrative Services H. Louis Schultz on May 22 after suffering a fatal heart attack while on a golf outing.

Mr. Schultz's understanding and fairness with all whom he came in contact with will be sorely missed by members of the Hersey community as his was always a very personal approach to human kindness.

George,
I've had you left standing

Keep up your great cheating

have a good summer and

Remember US History. Do you still write "hi" on the bottom of your speakers and show it to people as the way across the room? Keep plugging away at the math. Keep well and happy over the summer. Don't wear yourself out chasing girls, or else running away from them (which I doubt you would do). Good luck. Lucky Hen slay
